- II. Various communications with SCRID board and committees for SCRID business.
- III. I will continue in developing/recruiting interpreters for our needs during online &/or face-to-face meetings. Working on securing an interpreter for the April 28, 2018 Face-to-Face meeting at GLAD.

I will continue to develop a process whereby IEPs/ITPs can use our meetings as mentoring/practicum opportunities (where students/mentees can work discreetly with instructors/mentors without affecting the meetings). The leadership will be included in this discussion, to ensure that the location/room/facilities can accommodate this type of situation.
