Vice President's May 2018 Report

April 2018 Activities

- I. Attended the SCRID Annual Membership Meeting, Saturday, April 28, 2018, held at GLAD.
- II. Various communications with SCRID board and committees for SCRID business, including reviewing minutes of previous meetings.
- III. I will continue in developing/recruiting interpreters for our needs during online &/or face-to-face meetings.

- April 28, 2018 Face-to-Face meeting was covered by P. Morales

It seems clear that the offer of a free SCRID workshop voucher is inappropriate/insufficient to draw volunteers to the task. I will consider making a motion to create a budget for paid interpreting services for the face-to-face meetings. Idea: full pay, if services used; partial pay for being on-call.

I will work at securing interpreters (volunteered or paid) for the next face-to-face Board meeting: Sat., June 23, 2018.

- IV. I will continue to develop a process whereby IEPs/ITPs can use our meetings as mentoring/practicum opportunities (where students/mentees can work discreetly with instructors/mentors without affecting the meetings). The leadership will be included in this discussion, to ensure that the location/room/facilities can accommodate this type of situation.

The SCRID Annual Membership Meeting had two CSUN interns working the whole meeting together. They were discreet and did their work quietly in the back of the meeting. It was wonderful to offer a safe interpreting experience for them to develop their skills. Our thanks to Jeff Pollock for offering this opportunity to his students.
