

SCRID Membership Committee Report

March 2018

The Membership Committee reports:

- We have mailed out one (1) new member card in March. All mailed cards/Members are being verified as “Active” and “Paid” in Wild Apricot. Renewals and New Memberships will continue to be processed as they come in.
- We have assisted one (1) member with Membership issues.
- Starting April 1, 2018, all of our membership renewals and business having been moved to Wild Apricot, ONLY online/electronic new & renewal membership applications will be accepted. Paper forms will no longer be accepted by the Membership Committee to create, renew, or change membership accounts as of April 1, 2018. All SCRID Membership-related processes will transition to full digital/online processes. Please contact the Membership Committee and the President in order to discuss any alternative needs or accommodations.
- We regularly audit the Wild Apricot Database in order to ensure that all Members’ Profile Information has been input correctly and completely. There are still multiple profiles missing “Proof of Certification”, RID Member #s, current/updated Student Transcripts/Enrollment Schedules, etc. This is a reminder that a complete Member Profile allows you to be informed of essential SCRID communications and updates in a timely manner, but also allows you to easily search and be found as you expand your professional and personal networks with like-minded individuals. Correct and Valid RID Member #s allow your vote to be counted!
- **The position of Membership Committee Co-Chair is looking for an interested volunteer to begin training as “Membership Committee Co-Chair” alongside Bob LoParo.** Any current SCRID members in good-standing who are willing to assist with Membership-related activities – new account registration, maintaining/editing the Membership Database, responding in a timely manner to member needs, and ensuring the Membership Directory is sent to RID Headquarters biannually. Other interested volunteers who want to provide minor aid and support should also contact us with your email of interest: MembershipChair@SCRID.org
- The Membership Committee and RID’s Membership Services continue to work closely to audit our current membership, reconciling appropriately matching Membership Categories, Contact Information, and correctly identified Certification titles. Keep your information up to date with SCRID as well as with RID. Members@RID.org can help out most general questions and needs. We are up 11 new & renewed members than this same time in 2017. Several Memberships are unprocessed/incomplete/“Pending” and are being contacted or removed/archived.
