

SCRID Membership Committee Report

September 2017

The Membership Committee reports:

- We have mailed out eleven (11) new member cards in September, with additional renewals and new memberships that are being processed. All mailed cards/Members have been verified as “Active” and “Paid” in Wild Apricot. Renewals and New Memberships will continue to be processed as they come in.
- We have assisted six (6) members with Membership issues, ranging from renewal, resolving owed payments, and paper/mailed in membership forms.
- We regularly audit the Wild Apricot Database in order to ensure that all Members’ Profile Information has been input correctly and completely. There are still multiple profiles missing “Proof of Certification”, RID Member #s, current/updated Student Transcripts/Enrollment Schedules, etc. This is a reminder that a complete Member Profile allows you to be informed of essential SCRID communications and updates in a timely manner, but also allows you to easily search and be found as you expand your professional and personal networks with like-minded individuals. Correct and Valid RID Member #s allow your vote to be counted!
- The “*Certified – Senior Citizen*” Membership Discounted Rate has successfully seen a steady rise in SCRID Members opting for this Category and perk (discounted rate!). If you qualify, please take advantage of the monetary savings while still enjoying the full benefits of SCRID Certified Membership.
- We are in the early months of Membership Renewal and have already begun to see increase responses and questions concerning renewal, as well as those who have responsibly renewed early! Thank you to those current SCRID Members who have kept up with their Professional and Business needs. The Membership Committee always appreciates early and timely renewals. Please ensure that you renew in a timely manner so there will be no lapse in communication and access to up-coming SCRID Opportunities, events, and updates!
- The Membership Committee and RID’s Membership Services continue to work closely to audit our current membership, reconciling appropriately matching Membership Categories, Contact Information, and correctly identified Certification titles. Keep your information up to date with SCRID as well as with RID. Members@RID.org can help out most general questions and needs. * We have included the far right retrospective column (in blue) “September 2016” (1 year ago) so that we can compare what last year looked like, from an Active Membership (Renewed) Total perspective. We are **down 5** new & renewed members than this same time in 2016. Several Memberships are unprocessed/incomplete and are being removed/archived.
