2. Applying ProTactile to Practice Workshop. [February 2nd 2019]
I had a wonderful time co-presenting with Roberto Cabrera. Martha Villar, our third co-presenter had an emergency and couldn't join us. There were a total of three four Deaf participants and eight hearing participants. The workshop was a huge success. We had a one hour high velocity session prior to a two hours live training while supporting SCADB's general meeting. We also had a one hour "debrief" session with all participants to process, reflect, and discuss their experiences. We plan to do another session in the near future.
