

Southern California Registry of Interpreters for the Deaf

Face-to-Face Board of Directors Meeting

Mt. San Antonio College, Walnut

January 19, 2019

President's Report

- **Meetings, etc.**
 - Met with CAD's State Standards/Regulation Task Force meeting was held via Go To Meeting on December 13, 2018. Jeff Pollack is present at today's meeting to provide an update.

- **Board development:**
 - New Board Member Training
 - Five sessions were held. Each successive meeting had fewer participants. As sessions were recorded and links available to the public, my guess is that as interested members realized this, they felt less compelled to attend in person. Thanks to Bob LoParo and Cindy Herbst for leading sessions, and especially to Cindy for attending all sessions and monitoring and supporting me during the sessions.
 - I have sent the info to members via email, and have sent the promo text to the Public Relations committee.
 - Met or was in contact with the following leaders over the winter break:
 - Jerrin George, Deaf MAL (support for vision for this position)
 - Paola Morales, IDP MAL (support for vision for this position)
 - Beth D'Addario, Public Relations (re-sent PR Event Promo Contact list, reviewed the promotion protocol)
 - Brenda Pluntze, Newsletter Chair (technical support for distribution of Winter e-newsletter)
 - Still needed: meet with Membership Committee and other board members to discuss Organizational Member criteria for interpreter referral agency members
 - I continue to contact several more "seasoned" SCRID members to invite them to consider taking officer positions. I have invited them to attend the Leadership Orientation sessions. As expected, many wish to contribute but are concerned about the time commitment required for board service. We think we have people willing to be candidates for vice president and treasurer. Still needed are Diversity MAL and President.
 - Committees still needing chairs are CMP; PDC and newsletter are in need of co-chairs.
