Workshops in planning:

Date: Jan 19, 2019

Name: Marcus and David Rice (Chicago) to present on case conferencing and Demand Control.

Location: Still being sought. Have contacted LINKS, Mt. SAC and CSLUB. Have been awaiting responses. PDC will call each location next week for a follow up.

Notes: ---

Date: May 18, 2019 (Annual Membership Meeting)

Name: Possible workshop on interpreting in emergency situations, high stakes environments.

-Possible panel style workshop with emergency disaster interpreter, CDI, Deaf presenter from the city of Los Angeles, and Deaf consumers of this content (Feedback about their experience, etc).

-We are in contact with another interpreter who is interested in helping plan this workshop. Follow up to make sure they want to assist us with some of their connections to happen next week.

-If we could not secure a Panel or Dedicated presenter by Mid October, consideration for a different workshop would take place. We do have several others interested in presenting.

Location: Still being sought. Suggestions welcome.

OTHER Housekeeping:

-October 13 workshop-Amanda has the banner, tablecloth and cash box. Needs to exchange these items with someone attending the free workshop.

-PDC to create a motion this month for purchasing a projector for future workshops
