

SCRID Board eMeeting  
Friday, September 14, 2018 6:30-8:30 pm  
2018 September IDP-IDP Report

Summary:

Hello everyone I look forward to serving and working with the current board, membership, and deaf communities. I look to learning more of how I can best serve during my term in office. I would like to suggest that we create short sign language video introductions for our social media sites and website. The intent is to make us more personable, but to also generate hook across all generations that will interest and inquiry about SCRID and our work.

Activities

1. Disaster Emergency Workshop in Riverside on 9/15/2018 from 8:00 a.m.
2. IDP-MAL Officer Training Session with Peggy
3. Foundations of Interpreting October 12-14, 2018.

Proposals

1. Brief BoD sign language videos for our social media sites and websites.
2. Explore IDP-MAL by-laws name change to DPI-MAL.
3. Standardize template for MAL or IDP-MAL monthly reports.
4. One sheet document orientation video for incoming BOD members.
