Vice President's September 2018 Report

August 2018

- I. Attended the SCRID Face-to-Face Annual Board Meeting, Saturday, August 25, 2018. Assisted in videotaping for live-stream of the meeting.
- II. Reviewed process notes and Minutes from previous meeting for Secretary.
- III. Various communications with SCRID board and committees for SCRID business.
- IV. I will continue to assist in developing a PPM: process for and recruitment of interpreters for our needs during face-to-face meetings. Once the PPM is in place, I will work on securing interpreters for the next face-to-face meeting: Saturday, January 19, 2019.
- V. I will continue to assist in developing a PPM: process whereby IEPs/ITPs can use our face-to-face meetings as mentoring/practicum opportunities (where students/mentees can work discreetly with instructors/mentors without affecting the meetings). The PDC will be included in this discussion, to ensure that the location/room/facilities can accommodate this type of situation. Once the PPM is in place, I will be in further contact with local/near to face-to-face meeting site ITPs/IEPs to extend the offer.
- VI. Have returned all notebooks, old newsletters, stored materials borrowed to develop the Jubilee USB presentation. Returned to SCRID's storage facility in West Covina via President, Peggy Huber.
